

# Kwik-Fill™ Pre-Opened Bags

## Kwik-Fill™ Pre-Opened Bags

Elkay's unique blend of linear low density resin means Kwik-Fill™ bags will withstand the rigors of automatic packaging equipment. Add to that precise perforating for easy separation and you've got a combination that's tough to beat. They're 100% compatible with all automatic packaging equipment\* and come ready to go on an industry standard core. Kwik-Fill™ bags also work great for manual applications and are an excellent choice for food packaging.

- **A blend of linear low density resin gives Kwik-Fill™ added strength**
- **Precise perforations ensure proper bag performance on all automatic packaging equipment\***
- **Utilizes an industry standard core making it compatible with all automatic packaging equipment\***
- **Standard, Medium, Heavy and Extra Heavy gauges available**
- **Meet FDA requirements for food service applications**
- **Available with white "write-on" front, clear back**
- **Fast availability allows flexible ordering**
- **Full range of sizes reduces waste**
- **Can be used in manual applications**

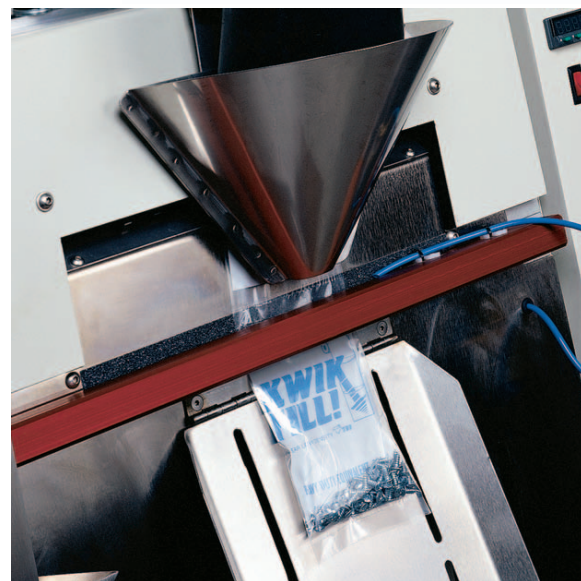

\*No special machine requirements. However, minor adjustments to some machine settings may be required.

Available for Immediate Shipment **Kwik-Fill™ Pre-Opened Bags**
