

High Density Bags

Plastronic® and Snap-Eze® High Density T-shirt bags are designed for retail and grocery applications. Heavy duty carry-out bags are excellent for restaurant and take-out services. Economy white Snap-Eze® bags are perfect for counter racks. They can be used for a variety of applications, from books to shoes (9 x 5 x 23) to groceries and more.

As required by State law, Plastronic® bags have a suffocation warning preprinted.

- High molecular weight high density material creates a strong and durable bag
- Available in seven colors
- Low cube dispenser carton fits under counter and is UPS shippable
- Custom printing, sizes and put-ups available in quantities as low as 5M
